Moscow, Tokyo, London : twenty years of German foreign policy

The United States was both a military power and an economic one; the Soviet Union had only brute force and the intangible attraction of Marxist ideology to keep its own people down and manage its newly acquired empire in the heart of Europe. The Nazi's star diplomat, Herr von Ribbentrop, was universally derided in London as 'Herr Brickendrop' for his gaffes such as his propensity to give Nazi salutes to the king.

Moscow Tokyo London Twenty Years of German Foreign Policy by Herbert Von Dirksen

SUBJECT: Great Britain -- Foreign Office -- Archives -- Catalogs -- Public Record Office -- Foreign relations -- Soviet Union. Derevyanski, Soviet plenipotentiary representant in Finland - The are rumors that the silence on the Finnish side means a break off in the negotiations, find out! But the Swiss, as always, were deadly serious. His first major assignment for Soviet intelligence was in the late 1920s, when he was sent to China to organize a spy ring.

Metropolis Now

I replied to Paasikivi that the subject was recently discussed with the British ambassador Cripps in Moscow. The Soviet-German Non-aggression Treaty was signed on August 24, one week before the war began.

Trotsky Writes on the War and the Soviet

History teaches that an open world economy is better, but the 1930s show that it cannot always be guaranteed.
