And if the forger can't be found, it seems like business insurance should cover something like this.

Check Fraud

Special Considerations The OCC of the U. In addition to representing a fraudulent check as though it is real and genuine, you must also have knowledge that the check is fraudulent in order to be convicted of check fraud. Note that the statute says that if the customer of a depository bank encodes, that bank also makes the warranty.

18 U.S. Code Chapter 25

While banks must , they can later deduct that amount from your account if the check you deposit proves fraud. Review your canceled checks and statements as soon as possible after receipt, in order to be sure they have been properly issued and paid. If the bank can prove it accepted the check in good faith and performed due diligence in handling the transaction, it may claim that it's not liable.
