Kirandeep Kaur is a Guest Faculty in the Department of Psychology, Chaudhary Charan Singh University, Meerut, India. Again, we know that this is not a new finding; however, what was interesting through the use of dialogue and images was the insights provided into how young people are already trying to deal with these pressures. She has been engaged in addressing how best to ensure excellence for young diverse learners,

especially Black children, such as through development of a classroom observation measure, examination of non-traditional pedagogical approaches, public policies, and publications geared towards early education practitioners and policymakers.
