Race, Gender, and Disability (forthcoming)

Unfortunately, results have not come fast enough for working women in the United States who are not covered by progressive state and local policies. Binnie reminds us that neoliberal policies impact in very different ways on political struggles and discourses and cautions that critical theories on economics, class and sexuality need to pay close attention to national and regional contexts. This was seen as stemming in part from fundamental differences between the sexes see Firestone , although they also pointed to other aspects of oppression, for instance enacted through education and cultural beliefs, and particularly through systematic violence against women.

International Approaches to Closing the Gender Wage Gap

Or in another instance, honour-based violence has become identified with racialised minorities.

Nutrition Journal

Men and Masculinities, 11 1 , 86—103.

Race, Gender, and Disability (forthcoming)

Despite its broad applicability, there are a range of problems in the conceptualisation of power through heteronormativity. Special issues deal with timely topics of broad interest and should be organized by recognized experts in the area.

Gender budgeting: A tool for achieving equality

There are historical reasons for the disjuncture between work on gender and sexuality.

International Approaches to Closing the Gender Wage Gap

It assisted the government with drafting the Law for Equal Opportunities of Women and Men. Gender Theories, Sexuality Theories and Structuralist Critiques This section discusses key concepts within feminism and queer theory: respectively, patriarchy or gender subordination and

heteronormativity. In this view, feminism is said to embrace materiality, the economic, the collective and the global, whereas queer studies is conflated with the discursive, the micro-political, individualism and the cultural McLaughlin et al.

Race, Gender, and Disability (forthcoming)

This vision advanced a scheme of normativity that in many instances sustained demands for censorship or the contestation of the presence of certain sexualities in public space, including feminist spaces. Although a pay gap still exists in Ontario and there remain some challenges related to enforcement funding, the policy has resulted in pay increases for thousands of women. As with other policy areas, it is important that U.
