Grotesque Irreverence: The Transformation of 'Ecce Homo'

Bylo tento vikend opravdu na co koukat. The name of Voltaire on one of my writings—that was verily a step forward—in my direction. This was said to me most delightfully perhaps by that young fellow Heinrich von Stein, who died at such an unpardonably early age, and who, after having considerably asked leave to do so, once appeared in Sils-Maria for a three days' sojourn, telling everybody there that it was not for the Engadine that he had come.

Ecce homo : Nietzsche, Friedrich Wilhelm, 1844

I live on my own self-made credit, and it is probably only a prejudice to suppose that I am alive at all. Uno de sus responsables, Pablo Quijano, explica que la idea es 'fomentar el arte y la creatividad' y 'apoyar a Cecilia Giménez', quién incluso ha padecido ataques de ansiedad desde el suceso. Let me halt for a moment at the question of the psychology of the good man.
