## Bibliography in: Workers' Self

Weeks, Kathi 2011, *The Problem with Work: Feminism, Marxism, Antiwork Politics, and Postwork Imaginaries*, Durham: Duke University Press. The difference to much political socialism lay in its model of practice: cooperation was defined as being about doing and experiencing a social reality, rather than applying or running after an idea.

## Italy's Transition to Democracy

Large co-ops often have a system of internal checks and balances to avoid abuses of power by managers. *Class Struggle at Work and Monopoly Capitalism*, London, Macmillan.

## Workers' Self

Thinking about how co-op members in Mexico conceptualize the silver deposits they mine, as well as the ways that this mineral enters international markets, shows that idioms surrounding family and patrimony may help make sense of the deposits they work on Ferry 2003.

## The Case for Workers' Co

Broué, Pierre and Emile Témime 1962, *La revolución y la guerra de España*, México: Fondo de Cultura Económica. But control goes with membership -- one member, one vote -- rather than with the size of any investment.

## Pratiche cooperative. Uno studio sulle imprese recuperate in Italia e Argentina

They thereby have evolved from a set of ideas that recognised the conflict of capital and labour, aiming to bridge what may be unbridgeable Restakis 2010.

## **Workers' Self**
