Lisburn Books, Articles & Historical Documents

The new dedicated head gardener, assisted by an apprentice, are replanting the herbaceous borders, developing riverside meadows, creating insect habitats, and managing the allotment gardens. This will ensure the final document takes into account the views and opinions of the people who will be most directly affected — the residents and business people of Lisburn and its environs. The illustration depicts several styles of perrons.

Lisburn Historic Quarter

Letters back to the Conway's in England, starting in 1656, describe the improvements he was carrying out at the gardens.

Meaning in the Maze: the heritage of Long Kesh on JSTOR

It seems to reflect 19th and 20th century landscaping. Brian Turner's work on the 'Reminiscences of Bridge Street ' part of the Bridge Street Initiative, and through providing management of the education service to be associated with Phase II of the Castle Gardens Restoration Project in 2006-2007.

Lisburn and Castlereagh

It is proposed to improve, where possible, the streets and public realm that connect these opportunity sites, so that the areas of change read as a coherent whole. A Concise History of Lisburn and Neighbourhood.

A full-time officer based in the park will support volunteers and the Friends Group in providing community activities.

Lisburn and Castlereagh

It is the site of Lisburn castle, a 17th Century fortified manor house first built in the 1620's. From museums, parks and historic places to archaeology, natural environment and cultural traditions, we invest in every part of our diverse heritage. It appears that the gazebo or pavilion survives in a fairly intact state at basement level and there is every possibility that the full extent can be uncovered.
