International Paper Historians (IPH) / Questions & Answers

I was involved in the organization of the IPH Symposium 1971 in Arnhem. It was first in Westzaan for 3 years, after 2 years in Wormerveer, and then I moved in 1980 with the company to Melick-Herkenbosch close to Roermond, sold the company to Hunter-Douglas in 1991, when it had 50 employees, and started in 1995 a similar company in Lodz, Poland. Watermark catalogues

I believe my drawing was executed in Rome around 1757. Does anybody have some recent information about the current hypothesis and investigations on this matter? They had several types of watermarks, which you may find described and illustrated in, among other publications, Henk Voorn, De papiermolens in de provincie Noord-Holland De geschiedenis der Nederlandse papierindustrie I, Haarlem 1960, nos a.
