## 19th Century Pages

ReShor agreed and set off on her long journey to see the Sea Nymph.

## The Pirates Princess

Plus planning to go for his 4yr degree in computer science.

## Calypso (mythology)

The river was guarded by a hellhound that allowed no souls ever to leave the realm of the dead. It is stated that some traits of the Kraken resemble undersea in the Scandinavian region, including bubbles and currents. The Hellenistic Poseidon, the one passed down to us, is from a demoted cultural position.

## Richard Worley

The cries of women supposedly being captured may actually have been sounds of a barking owl.

## Richard Worley

Additionally, the dinosaur would have to surface often to breathe, and therefore it would have been seen more often. Jengu were also thought to cure disease, and played an important role in some tribal rites, for example when a child entered adulthood. The monster was usually portrayed as a twining sea serpent, which was applied as a symbol for chaos.

## Poseidon (mythology)

First, Zeus set out to divvy up the world between his brothers, earth was set to be neutral ground and Zeus choose the heavens as his realm so he gave the remaining Oceans to Poseidon and Underworld to Hades.
