### “L’Âge du capitalisme de surveillance”, de Shoshana Zuboff

Foucault shows how, for instance, in the eighteenth century 'madness' was used to categorize and stigmatize not just the mentally ill but the poor, the sick, the homeless and, indeed, anyone whose expressions of individuality were unwelcome. The bodies are also combined with each other, to reach a productivity that is greater than the sum of all bodies activities.

### La Vie Descriptible de Michel Foucault

After both theses were championed and reviewed, he underwent his public defense of his soutenance de thèse on 20 May 1961. Two major figures in the world of ideas, resisting all attempts at categorization.

### Paul Veyne

Foucault submitted it at the , although the university's regulations for awarding a State doctorate required the submission of both his main thesis and a shorter complementary thesis. That relations of power always result from inequality, difference or unbalance also means that power always has a goal or purpose. Any effort to suggest otherwise would be a condescension, a disrespect to them as fully realized human beings.

### PDHRE: LA LIBERTÉ DE RELIGION

It focuses on details, single movements, their timing and speed. The punishment was often public and spectacular, partly to deter others from committing crimes, but also to reinstate the sovereign's power.
