As a historian of Turkic literature his lasting fame will be based on the first comprehensive history of Khwarezmi and Chaghatai literatures, and on his pioneering studies on the poetic oeuvre of the outstanding Chaghatai poet Navai. If we had not gained one single shilling by the remission of indirect taxation, it would have been worth having, for the sake of the manner in which it has knit together the interests and feelings of all classes of the community, from one end of the country to the other.

Library of Leonard and Virginia Woolf

On the different Forms of the Meridian Line. If we want to find an explanation of this language the obvious source would be the texts of the three returns of treaties in the nine-teenth century.
