Journey of Souls

Because Knowledge is mysterious, it does not fit in with your ideas. If your path is rooted in meditation and Eastern mythology, you will find a home in this spiritual autobiography which points well beyond itself. But the deep spiritual unfolding that Kundalini offers can also be confusing and difficult to grasp—so how can we approach this universal power with preparation and wisdom? Lawrence Edwards, a long time devotee of the Devi the archetypal feminine that exists within all, has had the blessings of some of the leading Masters of our time.
