### Housing

Through this commitment, we are exploring the connection between homelessness or housing instability, health outcomes, and health care spending. The division often works in conjunction with the New York City Housing Development Corporation HDC in co-financing such developments. This tracking is used as an early warning system to detect and mitigate potential risks to buildings.

### Home

Recordings of final two sessions will be posted shortly. The contains a detail quarterly schedule and milestones for each activity.

### University Student Housing

Due to COVID-19 restrictions, all in-hall tours have been cancelled, however, detailed information on our Residence Halls can be found. Email me at: [tmullaney@seniorhousingnews.com](mailto:tmullaney@seniorhousingnews.com).

### Housing Strategy and Development Officer

Public Space Management During COVID-19 During COVID-19 the City of Austin is largely following Centers for Disease Control guidelines to allow people who are living unsheltered, or in encampments, to remain where they are at this time, to minimize community spread of the disease and maximize access to services. Her new job is a huge lift: running point on the city's homelessness response at a time of a great political divide pitting progressives in favor of letting Austin's unsheltered community continue to camp in many public spaces against others who say the city has become unclean and uncivilized due to an increase in tent encampments.
