## The Guilford Family Therapy Ser.: Treating the Tough Adolescent : A Family

A healing moment ripples forward and back, out and about. Research on the CRAFT approach shows an added bonus. He has treated more than 800 difficult children and adolescents, has spoken nationally on this topic, and has published a number of related journal articles.

Single-Parent Families: Sharing Parental Responsibility 10. I liked the identification on when to apply the Tough Love and when to increase the Nurturing. Incorporating structural and strategic principles, the author's cohesive approach focuses on setting clear rules and consequences; changing the mood and direction of confrontations; neutralizing such problem behaviors as disrespect, truancy, running away, violence, and threats of suicide; and restoring positive, nurturing family relationships.

Customer service is our top priority!. Only exceptions I take to his approach is in regards to takedowns and time commitment expectation of treating therapist.

## TREATING THE ADOLESCENT IN FAMILY THERAPY A DEVELOPMENTAL AND NARRATIVE APPROACH

At first, they emphasize education.
