Your Basic Employment Rights As A Worker In Ontario

More things you should know about workplace health and safety You can file a complaint for unlawful reprisal with the OLRB toll-free at 1-877-339-3335. However, your work permit may only allow you to work for your current employer. But there are some situations when you might have other options, for example, if your complaint relates to human rights or safety at work.

Temporary foreign workers: Your rights are protected

The Act prohibits reprisals being taken against workers who exercise these rights. The only exception is if you were hired as a high-wage temporary foreign worker. If they do not give you advance notice, they have to pay you for the notice you should have been given called termination pay.

What are my rights as a worker in Ontario?

Most workplaces in Ontario must follow this law. These industries include banks, airlines, some trucking businesses, and broadcasting. Basic health and safety awareness training To help employers make sure that each of their workers and supervisors receive basic health and safety awareness training, the Ministry of Labour provides a set of training programs at no charge in multiple formats and in multiple languages.

Workplace Rights

Your employer cannot fire or discipline you for refusing unsafe work or for asking them to address a health and safety issue.
