The plot brings together dissimilar characters, settings, images, and events: a grief-stricken lady and a dejected knight, a dilapidated castle and a windswept beach, the bells of a sunken city and a ghost in a dungeon, a peasant dance around a decorated tree and a song contest in a flowering dale.

Aleksandr Blok

The interesting fact is that two of those three branches were called Juliusz Słowacki, despite the fact that the second branch knew about the first when it was established — they still decided to use the same name. Celtis happened to be the friend of the most famous artist of such woodcuts, Albrecht Dürer. And if visitors were tired, befuddled or perhaps simply drugged, it would have been possible to create a powerfully otherworldly experience capable of persuading even the skeptical.
