Kitchen The kitchen is the control center of any home from the Victorian 1900s. The other bedroom has a large walk-in closet and a large walk-in store room. Visible structural details such as vaulted ceilings, exposed rafters, give this home undeniable character, while an airy layout makes it extremely livable.

110 Turn

Laden with turrets, porches, and bays and embellished with gingerbread, shingles, and fanciful windows, Victorian home plans offer grand and distinctly unique curb appeal. Small house designs are also the first choice of property developers as these will cater most of the average Filipino families.
