## Bury Me Deep

On to the next book and let's see just how the team gets out of this one untouched! That old devil, lust and sex, plays a big role. Note: Used for Australian Singles and Albums charting from 1970 until created their own in mid-1988.

## The Sisters Of Mercy

We will never know what really happened and whose fault it truly was if, indeed, it was only one person's fault. Bury Me deep inside your heart  
Where I may hide in the painless dark Don't let the light shine through the cracks Of a love that never lasts Don't ever let me run away In your arms  
make me stay I want to be buried in your heart But I'm so scared of the dark.

## The Sisters Of Mercy

## Bury Me Deep by Christopher Pike

I am a huge fan of Megan Abbot and this book, with it's powerful prose brings this era to life.

Not as horror-based as the cover makes it look.

They also just so happen to have a body bag on the airplane and roll him into it.
