A Decentralized, Citizen

Is it not because faith in the power of forgiveness is so meager and so rare? Dare we then deny that it is as Christianity presupposes? These discourses were published under Kierkegaard's own name and are available as today. In March 1857, compulsory infant was abolished.

English to Scots gaelic translation

Then, when the Agency brings down a foreign government at the whim of a president, they all ask how this kind of thing can possibly happen. Here is an interesting quote from For Self Examination.

Viadukt je bil sporen že več let

I have to say that I shall never again go the cheap route when buying arches--it just isn't worth it. This is the meaning of the effort to connect natural phenomena with theory.

Battle of Nijmegen

Soren Kierkegaard among writers, and among painters, are both great examples of the latter type.
