9 Powerful Snakes from History and Mythology

Mufaro was a happy man and a very proud father. How do I miss so many great stories in the world? She liked the kind sister more.

6 shocking snake bite survival stories

For several generations, stories from Africa have traditionally been passed down by word of mouth. Capable of delivering some of the deadliest bites in the animal kingdom, snakes like blue kraits, inland taipans and black mambas are rightly respected for their nerve-affecting venom, which takes effect frighteningly quickly and can swiftly kill humans. As I write this and the memories come flooding back, I miss these simple times.

8 Deadliest African Snakes

This is a Fantastic Fairytale from Africa. The Hindhu god Brahma was said to have banished the naga to their underground kingdom when they became too populous on Earth.

9 Powerful Snakes from History and Mythology

He laughed and shook his head, then the snake turned direction and slithered past up both by the cliff.
