500 selected sermons : Talmage, T. De Witt (Thomas De Witt), 1832

Before God made a covenant with Abraham and Sarah there were no chosen people. . They are the kind of thing that can get your spiritual life on track.

Selected sermons : Edwards, Jonathan, 1703

There were sermons on political theory concerned with such ideas as the nature of the good ruler, the meaning of liberty, the Biblical source of political ideas and types of government, and the proper relationships between Governor, Assistants, and Deputies. As I recall it, there is a brief narrative on the wall near the painting, describing the event and the fact that this occasion marked a revolutionary change in medicine, freeing patients and consequently their doctors from the tyranny of pain in operating rooms.

500 selected sermons : Talmage, T. De Witt (Thomas De Witt), 1832

In this volume, Professor Plumstead presents a collection of nine of the Massachusetts election sermons, chosen from among the surviving Massachusetts sermons which were printed between 1661 and 1775. The title of the volume, The Wall and the Garden, derives from the frequent use by colonial preachers of the metaphors of the garden and the wall to describe the colonies and their spiritual enemies.

Selected sermons. (1966 edition)

Ether is a relatively crude form of anesthesia, and we have come a long way since then, but its first use is rightly seen as a major breakthrough in the field of medicine. Between 1734 and 1754, however, the political type perfected by Pemberton and Barnard predominates.
