The Secularization of the West

For this tradition, the study of as ritual and social duty was paramount. Buddhist thinkers in India and subsequently in have covered topics as varied as , , , , and.

Religion Problem for East and West

According to this theodicy, as advanced by Hick, God created the world as a good place, but no paradise, for developing morally and spiritually mature beings. For the , it is asserted that the two claims, 1 an omnipotent and omnibenevolent God exists, and 2 evil exists, are logically incompatible. There were, however, many regular religious festivals, and then the priests would conduct ritual sacrifices.
