Rules of Persuasion

All I need is you right here.

Rational emotive behavior therapy

I became fascinated by your goodness. It might take courage to listen to your heart because what it suggests often seems too easy. It will communicate in a subtle and calm way, sometimes in the form of an unexpected thought or idea.

100 Love Paragraphs For Her To See Just How Much She Means To You

I will be anything you need at any given time. There will be days you hit the ground with love, but you have to get up further in.

Should You Follow Your Heart or Your Head?

Life is short, but love is forever.

Should You Follow Your Heart or Your Head?

My smile for you will never fade.

6 Mistakes You Don't Realize You're Making Because You're Letting Your Heart Control Your Head

Your true heart is not subject to chaos or limited by pain, fear and neuroses, but is joyful, creative and loving.

Romantic Relationships

When you feel stuck in a head-heart conflict, perhaps the answer is not to choose between head and heart but instead take from the best each has to offer. You are the answer to my prayers.

1000 Love Quotes To Fan The Flame Of Love

In fact, I would even say emotions are the energy and very fuel of the persuasion process. There is a lot of trial and error involved with this, which gives you the chance to figure out what happens when you follow your intuition and what the result is when you ignore its guidance and choose the path that logic suggests instead. We loved with a love that was more than love.
