## American Planning Association

Robert is a founding and executive board member of the Association of Accredited Certifiers, and in 2012, he was appointed a Director on the Building Professionals Board in New South Wales.

## Certification Short Course

Registrants will receive an emailed link to a Zoom meeting and a copy of the handouts. There is no cost to attend the Short Course.

## MRSC

Benefits of Studying Short Courses With us Many people aim to study a degree or diploma course, thinking this is the only way to gain a quality education. What Skills Will I Learn in a Short Course? This course, which is typically three hours long and held in the evening, is scheduled anywhere in the state, whenever it is requested by a local community. The course was developed by the Department in partnership with the University of Technology, Sydney Institute for Public Policy and Governance, and the Centre for Local Government.

## Short Courses

With us, you can study our courses without matric.

## American Planning Association
