### Prijavi se :: Svaṣṭara

Svadhyaya in the sense of studying our selves in daily life though, requires us to really take our yoga practice off the mat. ...

### The Niyamas

Never learned with SVARA before? Pretraga oglasa je jednostavna i možete direktno da stupite u kontakt sa onima koji su ih postavili. This is an important aspect of the school of Kashmir Shaivism. Where do you hold tension? Studying the scriptures There are thousands of yogic texts containing fascinating, inspiring and transformational writing about the practice of yoga in all its many forms.

### SVARA: A Traditionally Radical Yeshiva

Realising what thoughts enter our mind on a regular basis helps us become aware of many other aspects of ourselves. Other scriptures also refer to svātantrya as the Glory of Śiva on account of it being identical to the 'ocean' of uncreated light prakāśa and cosmic bliss ānanda — cidānanda-Ghana.

### Prijavi se :: Svaṣṭara

When reading something about yogic practice, we can meditate upon how it resonates with us, whether it bears any resemblance to our own experiences, and therefore apply it to our own lives. Having a lot of books and information is one thing, but fully understanding and living what we learn allows our yoga practice to become more a part of our lives. And does it matter right now? The way in which we practise yoga is actually very reflective of the way we practise life. ...

### Prijavi se :: Svaṣṭara

Thus, the world has no external causes outside Śiva's Svātantrya.
