## How to Write a Non

There are some parts of our stories that may never make sense. For instance, you can tell your intention of doing what you did but do not go ahead to talk about what offended the other party.

## Without Apology: The Abortion Struggle Now by Jenny Brown

If we make the philosophical error of equating forgiving and reconciling, then we are allowing the effects of an offending person to live within us for a long time, perhaps even for a lifetime if the psychological wounds are deep enough.

## Without Apology...

The shroud of secrecy that surrounded Alan's disappearance has prompted the filmmaker to probe delicately but persistently beneath the surface of the family's silence: to find answers to why and how Alan's placement occurred, and why so much was left unsaid.

## Without Apology:

Go ahead to transfer the blame to the other party to make them responsible for the offence they got.
