DAYAXT, Commanding 2nd Brigade, Brooks- ville, Fla. Although the demands of IDEA are detailed, state and local governments pay most of the cost of special education programs. They require special education because they differ markedly from most students in one or more of the following ways: They may have intellectual disabilities, learning or attention disabilities, emotional or behavioral disorders, physical disabilities, disorders of communication, autism, traumatic brain injury, impaired hearing, impaired sight, or special gifts or talents.

**Exceptional learners. [12 Pearson new international ed.] 9781292022581, 1292022582**

This federal law requires that to receive funds under the act, every school system in the nation must provide a free, appropriate public education for every child between the ages of three and twenty one, regardless of how or how seriously he or she may be disabled. We thank Thee for the memo- ries that crowd upon us as we gather here to-day and we pray that, while we cherish them, all bitterness may be banished from our hearts and minds and we may be able to rest under Thy smile and favor for a reunited country, for the pros- Committee o? Evans, Com- mander Army Tern.
