## Houses of Augustinian canons: The priory of Breedon

It is very likely that this monastery - presumably as a minster for - existed until at least the in the 9th century. A very close connexion was always maintained between Breedon and its mother house in Yorkshire. Very little is known of him beyond these details, drawn from sources such as 's.

## Medeshamstede

Hugh Candidus describes the adoption of the new name, but does not link it to the construction of the monastic wall: Mellows, 1941, pp. Breakdown obtained from casualty record. Principal movers of the 10th century monastic reformation were , , and.

## RELIGIOUS HOUSES: Introduction

Cynesige was a medieval English Archbishop of York between 1051 and 1060. Until 1082 there are no further mentions of a church in Bermondsey, until - according to the Annales Monasterii de Bermundeseia - a monastery was founded by Alwinus Child with royal permission.

## Heritage Gateway

Most if not all of the churches originally associated with these local saints were probably sponsored by Medeshamstede, with the exception of. Also, the charter for Mercian Medeshamstede describes him as a recently orphaned foreigner.
