## Book Reviews, Sites, Romance, Fantasy, Fiction

Still insisting on her innocence, she did all the same hire yet another top Paris advocate - Maître Albert Gautrat. The presence of abnormally high levels of arsenic were also confirmed by another report by Professor.

## Evidence found against French serial killer known as “The Queen of Poisoners”

Marie intimidated her accusers, sending garbled death threats through the mail. The book allows you to have a glimpse into the mind and character of Marie Besnard an enigma, considered to have committed the perfect crime in France.

## Marie Besnard

Apparently her motive was to inherit their wealth which she did. They questioned Professor Griffon on his Neutron Activation Analysis for finding arsenic in hair.

## Marie Besnard

To all appearances, Marie and Léon lived quietly and worked hard running their farms and looking after their real estate portfolio for the following three and a half years, and then, on Sunday, July 1, 1945, the two yet again joined a funeral procession behind a coffin. The first loss of a loved one that Marie and Léon endured and from which they benefited as a couple, though not immediately, but eventually, was that of his great-aunt, Marie-Louise Leconte, the sister of his grandmother. He had also sprayed the young plants with insecticide.

## Marie Besnard: The Undertaker's Best Friend Crime Magazine

Understand what it is to be the prey of public rumor.

## Unknown Gender History: Marie Besnard, French “Queen of Poisoners”

Seeing that neither Marie nor Léon was well educated or manifested financial brilliance or cunning, what newcomers to the village wanted to know

was how the two had accumulated such assets. Petiot was guillotined for the murder of 26 people, many of them Jews, in German-Occupied Paris in the years 1942-1944.
