Early Settlers of Augusta County, Virginia

A consequence of this is that in order to keep track of early settlers that lived in the Augusta County, Virginia area, one must take into account the areas within and adjacent to Augusta County's original boundaries that later formed other Virginia Counties up to 1799. The German farm originally stood in the small farming village of Hördt located in the German state of Rhineland-Palatinate. Lovettsville - Learn about the German settlement at the , and research your family's roots through various genealogical records.

Early Settlers of Augusta County, Virginia

. Claudius Bustard and Dorcas to James Hays and , on Blue Ridge Mountains in Augusta and Amherst, known as Rockfish Gap, patented to William Rodgers and John Burger.

A History of The Middle New River Settlements and Contiguous Territory, by David E. Johnston (1906).

The influence of these German settlers can be still be seen in the region's architecture — log cabins and two-story barns built into hillsides called bank barns. Elizabeth Rea to , £30, 98 acres on the south side of North Branch of James River; corner John Harger; corner Alexander Baggs and William Henderson.

Germanna

Borden was promised 1,000 acres for every settler he located, amounting in all to 92,100 acres. Part of the tract Robert Poage obtained from George Robinson and James Wood by Caveat. Livery by a branch of an oak and a handful of earth.
