Visuality and Identity: Sinophone Articulations across the Pacific

The bad news is that it is so tortuously written that extracting the signal from the noise is hard work. The libidinal and the national: the morality of decadence in Yu Dafu, Teng Gu, and others.

She is currently working on several projects, including two monographs entitled Sinophone Divergences and Comparative Literature in a Relational World, as well as the edited volume mentioned above, Sinophone Studies: Interdisciplinary Engagements, and a co-edited volume entitled Indigenous Knowledge in Taiwan and Beyond.

Shu

Nothing like this took place in China. Note that even the prodigious Lloyd and Sivin limit themselves, if that is the phrase, to two cultures.
