## In Memoriam...Janet Bloomfield, 1953

These conferences, which included participation by a large majority of States, the International Committee of the Red Cross and hundreds of representatives of non-governmental organizations, principally coordinated by the International Campaign to Abolish Nuclear Weapons ICAN, played an important role in building demand for urgent action to advance nuclear disarmament negotiations.

## Deterrence theory

B Regional Non-proliferation Issues North Korea's development of nuclear and missile programs is a grave and urgent threat to international peace and security, and poses a serious challenge to the global nuclear non-proliferation regime centered on the Treaty on the Non-Proliferation of Nuclear Weapons NPT. Parliamentarians cannot achieve disarmament by themselves.

## Diplomatic Bluebook | 4 Disarmament and Non

The first argument focuses on a defending state's past behavior in international disputes and crises, which creates strong beliefs in a potential attacking state about the defending state's expected behaviour in future conflicts.

## Atomic Energy

The cold war ended with a significant effort in the direction of nuclear disarmament.

## The Nuclear Abolitionist: JFK's American University Commencement Speech

The horror of the Second World War, culminating in the nuclear blasts at Hiroshima and Nagasaki, brought home the need to address the nuclear issue.

### **International Day for the Total Elimination of Nuclear Weapons**

What is needed is really not shrewdness or craft, but what the politicians don't have; depth, humanity and a certain totality of self-forgetfulness and compassion, not just for individuals but for man as a whole; a deeper kind of dedication. At that point war is not far away, and international law is the main framework that we fall back on. These ranged from international opposition to the Gulf War 1991 all the way through to the Global Campaign on Military Spending 2014 onwards.

### **International Day for the Total Elimination of Nuclear Weapons**

And even in the cold war, which brings burdens and dangers to so many countries, including this Nation's closest allies, our two countries bear the heaviest burdens. If all defending states have such incentives, potential attacking states may discount statements made by defending states along with any movement of military forces as merely bluffs. Today the expenditure of billions of dollars every year on weapons acquired for the purpose of making sure we never need them is essential to the keeping of peace.

### **Nikita Khrushchev**

Due to such factors as growing global energy demand and the need to address global warming, many countries are planning to further develop or newly introduce a nuclear energy program<sup>23</sup>. It makes no sense in an age where a single nuclear weapon contains almost ten times the explosive force delivered by all the allied air forces in the Second World War.
