In allusions to sexual intercourse the terminology of the Kāmasūtra of Vātsyāyana is frequently invoked, as though this ancient textbook of Indian erudition was a protection against possible opprobrium—not unlike Latin terms resorted to in the West for actions that most know by shorter, more colloquial names. The Bhutia trace their descent patrilineally.

## Genghis Khan

Though ignored by the Iranians, Bēdil's poetry had an impact on Tadzhik and Uzbek literatures, and its influence is still evident in Afghanistan. Its standard form is based on the Khari Boli dialect, found to the north and east of Delhi. Most areas are visited by religious mendicants, many of whom travel around the countryside singing devotional songs, accompanying themselves either with a one-, two-, or three-stringed lute that generally provides only a drone or with a frame tambourine-like drum.
