Stars Fell on Alabama Movie Review

Strong contrasts followed each other in startling sequences. The shower of meteors was visible over North America but was nothing compared to what the people of Southeastern states and particularly North Alabama experienced that night.

Movie Review: "Stars Fell on Alabama" — But laughs? Nope.

We'd go there to have a drink but Grandmother's visitin' us and she's the woman who gave Alabama prohibition before its time.

Stars Fell on Alabama (2021)

My tweed suit was oppressive and it made me a marked man. This leads to some mixed messages.

Ella Fitzgerald

Their hearty laughter interrupted it pleasantly.

Stars Fell on Alabama (2021)

The meteorite crashed through the roof, bounced off a radio and stuck her thigh.

Stars Fell On Alabama / Hodges Meteorite Historical Marker

A Latina mom of 5 girls ages 16 to 8 , Tania finds her happy in traveling, watching movies, running, and living life to its fullest. Hard blows of sound beat upon the walls and rafters with inexorable regularity. I was happy that the movie was over, so I could move on from the hour-and-a-half I spent on this that I would never get back.
