Politics of the United States

One chamber was supposed to provide a close link to the people, the other to add wisdom.

Conflict and Cooperation in International Relations

Bonomi, A Factional People: Politics and Society in Colonial New York Columbia U.

Divided Government and Partisan Polarization

. Local governments directly serve the needs of the people, providing everything from police and fire protection to sanitary codes, health regulations, education, public transportation, and housing.

Conflict Between the Executive and Legislative Branches of...

Cooperation definition is - the actions of someone who is being helpful by doing what is wanted or asked for : common effort. This pattern has gathered momentum for years but it's tremendously accelerated since Trump's emergence as the party's leader. Thus history is generally studied for the relationship between a nation's political system and its bellicosity.

Politics of the United States

Party identification becomes somewhat formalized when a person runs for partisan office. Using primary source documents, students will investigate how the constitutional powers to initiate war have been exercised by the legislative and executive branches of the Federal Government at several key moments in American history.
