## Undergraduate

These assets along with an inclination toward logic and inquiry can prepare philosophy majors for careers in academics, political science, social science, business and many other fields. When employees or retirees choose to include dependents in their insurance coverage, the individual is expected to contribute the major cost for that additional coverage. This is the sector where you get to apply the ideas you read and discussed in class.

## Steve Gimbel

Human resources and a philosophy major might seem like a strange connection, but the ability to work through issues and communicate to new hires can be essential for this career field. Other top cities with competitive salaries are Washington, DC, New York, NY, Boston, MA, Rochester, NH, Portland, ME, and Baltimore, MD.

## Compensation Philosophy

They talked about how societies should be organized and how order is supposed to be kept. None of their careers are obviously connected to philosophy, but their success in these widely divergent fields argues strongly for the scope of the intellectual tools provided by a philosophy major. Law and Legal Legal systems are essentially made of philosophy.

## Classification/Compensation

Studies in philosophy of law and morality can be an extra boon for prospective lawyers.

## Compensation Philosophy

In truth, though jobs are scarce for philosophers, a philosophy degree provides a fine grounding in critical thinking and problem solving, which can be used as the basis for many careers.

## **Steve Gimbel**

Only 3 percent of companies rely solely on the point-factor method, which assigns a point value to specific jobs within a company. That is quite an investment. Those figures should be taken as general guidelines.

### **Our Compensation Philosophy**

Many industries and companies know they can teach necessary job skills to an employee, but to be adept at critical and creative thinking, organization, problem-solving, communication, identification and interpretation and looking at issues from multiple angles makes for a highly valuable employee. And as I lay next to him, cinching blanket after blanket around his arms, I felt an immense sense of relief.

### **Philosophy Major Salary**

The job outlook, which stands at 8%, is also consistent with national averages. Some Philosophers will have the capacity to teach one or two courses while other individuals will be able to teach more.
