But, I want to be a teacher who can affect anything to children! If you were discriminated because of segregation, what would you do? There was a nice blend of pictures, narrative story telling and inserts highlighting other events taking place during the same time. I visited the exhibition room for him in Boston University library.

He led in many marches and never gave up! How many hours do you watch TV on average? Which do you choose a better place to have priority over own life or a worse place to help poor people? I folded my legs under myself for a long time and listen to a Buddhist holy text. After I read this book, I impressed him more. The story of one of the most influential civil rights activists of our time.
