Herodotus estimates that Homer lived 400 years before his own time, which would place him at around 850 BCE, while other ancient sources

claim that he lived much nearer to the supposed time of the Trojan War, in the early 12th century BCE. Sed quoniam institutum hujus editionis me non sinit vel omnium librorum afferro lectiones vel eam quam mihi informavi sententiam de scriptura codicum eligenda argumentis et demonstrando comprobare, spero me illa qui haec accuratius cupient cognoscere satisfacturum esse editione majori anno proximo, si deus faveat officique ratio permiserit, proditura.
