## Television's Impact on American Society and Culture

After all, the mood was ripe for unrest, with both America and France already experiencing revolution in the latter half of the eighteenth century. Rather, people tend to have individualist or communitarian starting points, depending on one's upbringing, experience, and the context of the situation. Being white was presented as normal in all sorts of programs, including news, sports, entertainment, and advertisements.

## the Troubles

The strikes were popular, as demonstrated by leading hunger striker Bobby Sands, who won the vacant Westminster seat of Fermanagh in South Tyrone in a by-election.

## The Podge and Rodge Show (TV Series 2006)

The death mask formed the basis for a portrait of what Emmet looked like. In addition, the networks did not want to risk offending viewers—or potential advertisers—in who supported segregation the forced separation of people by race.

## Special Reports

The typical role of women in these shows was as a stay-at-home wife and mother who cooks, cleans the house, cares for the children, and provides constant support to her husband. In general, however, the FCC did not regulate the content of paid political messages, except to make sure that the sponsor of the message was clearly identified. Given that George Mitchell, the former US Senate Majority Leader from Maine, is the chairman of the ongoing talks in Belfast, American influence continues.
