## Clark Pinnock Research Papers

Sherman addresses questions about what evangelical theology ought to be doing in light of the changing cultural situation. Using the writings of Clark Pinnock and Lesslie Newbigin as evaluative lenses, Sherman traces the emergence and essence of a postconservative theological epistemology, considering important factors leading reformist evangelicals toward a more holistic, communal approach to the knowledge of God.

And if something does require reconsideration, exactly what is it, and what might this re-examination entail? The issuantist scholars themselves, however, recognize this weakness and add a wide range of possible supplements to their basic issuantism. Moore develops an evangelical Inclusivism in conversation with Clark Pinnock and in response to John Calvin's Exclusivism, Karl Rahner's Inclusivism, and John Hick's Pluralism. But unless you have to write within a certain structure, it is probably best to vary things at least occasionally.
