Collapse of the Soviet Union

Even as the Georgian independence movement acquired a broad base of support, ethnic minorities within Georgia also began to press for more rights or even new unions across existing political boundaries.

mikhmon.us.to

After the collapse of the Berlin Wall in November 1989, leaders in the Baltic republics pushed ahead even more quickly in their demands for independence, which also provoked a stronger response from the Soviet government as well as from ethnic Russians living in the republics.
