I began to research him and another interesting life story slowly revealed itself. They were offered then as iron-on embroidery transfers created specifically for embroidery on vestments and other fine church linens.

### Embroidery Designs for Vestments and Church Linens

Emperor Basil II gave in to the insistence of the Grand Prince, and convinced him to be baptized.

### ECCLESIASTICAL EMBROIDERY

They can be enlarged or reduced, and used for a variety of church embroidery projects, including banners, vestments, altar cloths, linens, etc.

### Embroidery Designs for Vestments and Church Linens

Ecclesiastical embroidery formed under the direct influence of Byzantium, but flourished greatly in medieval Russia.

### The Genesis of Ecclesiastical Embroidery in Ancient Russia

Byzantine artisans produced many masterpieces of art, including silk fabrics of many bright colors completely covered with embroidery, magnificent items glistening with enamel, dazzling jewelry made of precious stones and pearls, finely carved ivory, bronze and silver, and glass decorated with gold. Frank Brangwyn was an artistic jack-of-all-trades and difficult to categorise.

### Ecclesiastical embroidery

I have a theory about that. I have an original copy of that catalog, which is where many of my designs here come from. Byzantium entered into relations with the Kievan state starting in the middle of the ninth century.

### ECCLESIASTICAL EMBROIDERY

The branch of dedicates a significant part of their work time in a particular way to making vestments, altar cloths, and altar linens, as well as baptismal gowns, brown scapulars, rosaries, and sodality banners. His present work to a great extent was foretold by his native tastes in childhood.

### **Liturgical Vestments, Church Linens & Fabrics**

The Greek and Romans acquired the art from the East.
