### Pros and Cons of International Expansion

To enact protectionist measures to stem those job losses will have three negative impacts. The Flows of Globalization In a global economy, no nation is self-sufficient, which is associated with. Retrieved from Gonzalez-Calatayud, Alexandra, and Gabrielle Marceau.

### What Factors Affect the Growth of International Trade?

Activities supported by its donors reflect this commitment. The value of assets and liabilities that are in foreign currencies creates the potential of a brand and business becoming immediately less competitive overnight, resulting in steep revenue losses. That said, encouraging Canadian firms to first export to emerging markets may not always be appropriate.

### Political and Legal Factors That Impact International Trade

Such changes in tariff structure would undoubtedly lead to a reconfiguration of global agricultural trade. Developed nations such as Europe, America, and to a smaller extent, Japan demand these cheaper goods as they import more than they export.

### 7.2

Brands and businesses which assert themselves in foreign trade work can increase their financial performance.
