The War in France and Flanders 1939

Following earlier success at Messines, Field-Marshal Douglas Haig launched his offensive on 31st July 1917 after fifteen days of shelling the German lines.

The War in France and Flanders 1939

York planned a counter-offensive with Austrian assistance to relieve , but this was abandoned when the Hanoverian contingent backed out.

Wellcome Library

The tight, professional army that later served in the was created on the foundation of lessons learned in 1794. In consequence, the British cemeteries were given a distinct secular character in contrast to, say, the French war cemeteries or to many war memorials back home , although this was, at first, highly controversial.

India's contribution in France and Flanders during World War 1

The basic design work was undertaken by four eminent men who were appointed Principal Architects for France and Belgium for there were also architects required in Italy, the Balkans, Turkey, Palestine and elsewhere : Lutyens, Sir Herbert Baker, Blomfield and, a little later, Charles Holden. There were several reasons for the Allied failure in the campaign. The fresh momentum emboldened the revolutionaries to definitively and proclaim the the very next day.

World War II

Norway Invaded In early 1940, both Britain and Germany began to develop plans to occupy Norway. Laws were imposed that placed all lives and property at the disposal of the regime.

History of Flanders

Contunico © ZDF Enterprises GmbH, Mainz Battle of France, May 10—June 25, 1940 , during , the German invasion of the and. After several failed attempts to penetrate Norway and link up with the Norwegian , the Allied effort had to be abandoned and the troops withdrawn, except from Narvik. Those who wish to embark on this route of Somme battlefields can download audio guides to the route for free from various sources, including from the website of the Historial de la Grande Guerre museum.

Flanders campaign

By early 1940, however, both German leader and the Allies were contemplating the expansion of the war into . Under pressure from Britain, the Emperor dismissed Coburg, however his place was filled temporarily by the even more unpopular Clerfayt. The Poles attempted to counterattack but were defeated at the Battle of Bzura Sept.

The War in France and Flanders 1939

Landing in central Norway, the British troops aided in slowing the German advance but were too few to stop it completely and were evacuated back to England in late April and early May. Flanders, French Flandre, Flemish Vlaanderen, principality in the southwest of the , now included in the French département of Nord q. Under assault from two directions, the Polish defenses crumbled with only isolated cities and areas offering prolonged resistance.
