## River Ness and Caledonian Canal circuit, Inverness (Walkhighlands)

In fact the architect, G R Bodley, was the same and the church was built by the family that owned the mill.

## Canal Walk, Richmond, Virginia, A Stroll Through History

Then turn left and walk through the village until you reach the B1037.

## Mandalay Canal Walk at Las Colinas

The last part of the journey had to be made by road. You can zoom in to see the individual routes. Continue along the road beside the river Ness, into a more industrial area.

## Canal Walk

This would have included coal from the Forest of Dean and raw wool imported from East Germany to Hull then brought down to the Cotswolds via the Midland Railway. It will take you downhill across a field leading to woodland below.

## 8 of the best canal walks in the UK

There are plans to restore the entire route eventually and currently there is some work going on at the Lechlade-on-Thames end. Look beside the towpath for a walled area — this is a coal pen where the coal which arrived by barge was unloaded and stored. Like many other rivers in the county, it starts in the Chiltern Hills, runs between Cow Roast and Dudswell, through Berkhamsted and Boxmoor where it joins the River Gade in Apsley.

## 11 of the most beautiful walks in Gloucestershire and the Cotswolds

Stonehouse Court © Jenny Lunn 19 Crossing over Along the walk route we have passed a range of different types of bridges over the canal — old and new, pedestrian and traffic, straight and arched, brick and metal.
