### Description of a Foreman's Duties

Others, such as Juran, though, continue to denigrate his work.

### What is Key Management Personnel?

The foreman's one moment of doubt came in January when he noticed that most of the ammunition crates they were filling were sitting in storage, rather than being shipped to the Alaskan or Chinese fronts.

There were other factors too that were related. Foreman may also be employed on manufacturing plant floors, auto assembly lines, in warehouse roles, shipping and freight yards.

### Fordism: A Production Technique Initiated by Henry Ford

He bought coal and iron ore mines and steel plants to process these so that he was ensured that there was a steady flow of raw materials for his production.
