She and Aang pursued them, but were attacked by one of them, who turned out to be a firebender gang member.

Toph Beifong

Personality Toph was comfortable with letting those around her know when she was displeased.

Toffee

Hoping to bridge the divide between benders and nonbenders, Aang decided to try and convince the bender-owned businesses to help their nonbender counterparts, starting with Councilwoman. Toffee easily defeats Moon and Marco and prepares to leave them behind forever, having both recovered his finger and fulfilled his revenge on Moon.

Toph Beifong

When he offered his help, however, Toph coldly asked if he was sure he wanted to do that, mocking his earlier respectful action toward Loban to have been groveling. See also for other Sexton Blake authors.

Wally Patch

Toph's eagerness to prove that she could be independent led to some initial difficulties with Aang and his friends.
