The growing owner-occupied sector seems to make households less inclined to move on an aggregate level.

Worcester's fight for a railway and its consequences for the urban, commercial and industrial development of the city in the early Victorian period.

Making the Second Ghetto: Race and Housing in Chicago, 1940-1960 1983 Lang, Michael H. Also this finding is in line with what is expected based on the literature on the duration-of-stay effect. It may, in some instances, improve cultural and social amenity, and it may also improve opportunities for safety and surveillance.

Past, present and future

As the eyes of lenders were looking towards the newly built space in the suburbs, they simultaneously disinvested from neighborhoods in the urban cores. The 1948 County of Cumberland Plan moved families from inner-city slums to the west, along new rail lines radiating from what is now the Eastern Harbour City, and established the first green belt. Yet, less than a handful of people are walking the street as I drive past city hall.

Changing patterns in residential preferences for urban or suburban living of city dwellers

Vice-Chair of Brooklyn Committee on City Plan in 1914.
