Clinics

Some examples include Principles of Global Mobility for relative newcomers and Strategic Talent Mobility for more seasoned professionals. Only individuals authorized by the Illinois Law Enforcement Training and Standards Board are permitted access. Every clinic student acquires valuable legal skills not accessible in the traditional classroom setting, and gains firsthand insight into the strategic and ethical dimensions of the legal profession.

Clinics

This is a centralized location for all online courses within the Illinois Law Enforcement Training and Standards Board Executive Institute. The materials and information on this web site are available solely for the use of the web-based Online Learning Network. Earning our designations provides recognition that you have the specialized knowledge and skill set in U.

Online Learning Network

The Notre Dame Clinical Law Center does not handle any types of cases not listed above or on the clinics' individual webpages, nor can it provide general legal assistance or advice to individuals who are not represented by the Clinical Law Center. In fulfilling this mission, the Clinical Law Center will strive to serve unmet legal needs of the poor and underrepresented in keeping with the Judeo-Christian tradition of working for social justice.

Welcome

Also, please consult the individual clinic pages linked on the list above to see each clinic's intake requirements.

Clinics

Information for potential clients The Law School's clinics are able to accept only a small number of new cases each semester.
