Racism, Inclusion, and Diversity

At Pentecost we see a God who, rather than homogenizing human language, preserves linguistic difference even when it would mean that the message of eternal salvation itself would have to be translated Acts 2. God bless you, Most Reverend Harry J.

Racism, Inclusion, and Diversity

Diversity of rites or of local traditions would not impair the unity of Judaism, any more than the variety of legal interpretations given by the Rabbis. This moment is shaped by the persistent and pervasive racism of our day, an evil that clings so closely that it seems to be part of our very flesh. The organization of ministries is here more pronounced.

Welcoming the Stranger Among Us: Unity in Diversity

All of us need to take whatever steps are necessary to ensure that the voices and contributions of every community within our Church are fully integrated into the activities and structures of parish and archdiocesan life.

A pastoral letter on the gospel, race, and the church

Since we cannot claim to love God unless we love our neighbor, we can only be one with God if we reject racism and work aggressively to remove it from our personal lives, our church, and our society. The Israelites, while proclaiming allegiance to the same God, became divided into two rival and unfriendly kingdoms. It does not attempt to touch on every aspect of racism, but rather to initiate a continuing discussion on a spiritual malady which infects us all.
